

STAND UP! LOOK OUT!

A labor union gives you greater strength than you could ever have on our own. But securing the benefits of a union requires members to be vigilant and act.

Stand up and look out for yourself and your fellow sheet metal workers by using the union label. Make the labels work—by labeling, scanning, and reporting—to discourage the use of lower-wage products and protect your jobs, wages, and benefits.

Show Solidarity by Using the Labels

Get the label app: Text **SMART** to **90975**
